Discount Pricing Schedule- Year To Date Total

\$0-\$2000.....0% Discount \$2,000-\$5,000.....5% Discount \$5,000-\$10,000.....10% Discount
\$10,000-\$20,000.....15% Discount \$20,000 +.....20% Discount

Customers will be able to take a discount on their total purchases. Customer purchases are cumulative year to date, and discount levels are based on either last seasons year to date total purchases, or the current year to date running total; whichever is greater. This greater year to date total will be used to determine which discount level will apply. If a customer changes in mid season to a greater discount level, they are not eligible for a rebate on the previous purchases. Discounts are given at the time of purchase.
